CAMP SAY:

A Summer Camp For Young People Who Stutter

“In a world where kids who stutter are often mocked, rejected, harassed, and misunderstood...I hope that every child who stutters has an opportunity to benefit from SAY’s programs.”

— President Joseph Biden,
US President & person who stutters

CAMP SAY: Created with One Goal in Mind

Camp SAY helps young people who stutter discover their own unique and beautiful voices. Our sleep-away camp welcomes children and teens who stutter, ages 8-18. Camp SAY is an ACA-Accredited camp, hosted at **Camp Tel Yehudah**, an idyllic camp with 75 years of history, located on 150 beautiful wooded acres on the banks of the Delaware River in Barryville, New York - just 2 hours from New York City. Campers from across the country, and beyond, attend Camp SAY, year after year.

CAMP SAY: It's Truly a Gift

Camp SAY is a gift that you can give to a child who stutters—the gift of fun and friendships, and the gift of self-confidence and improved communication that lasts a lifetime. We combine the highest-quality, traditional summer camp experience with comprehensive activities and innovative programs that empower young people who stutter. We create a culture of acceptance and positivity, so that stuttering—a trait that many feel separates them from others—actually unifies young people at Camp SAY. Parents and campers call Camp SAY “life-changing.”

“With the guidance, support, and love that was so very evident, we watched our son show a side of himself that we did not know he was capable of expressing. Camp SAY will benefit his self-esteem and growth for years to come.”

— Camp SAY parent

CAMP SAY: Empowers Children

Campers enjoy collaborative experiences with other young people who stutter. This deep connection creates bonds and breaks down barriers, helping each child become more open, expressive, and confident. Campers are paired with mentors from different age groups for a truly rewarding experience. Children safely share their challenges and fears, which empowers them to overcome obstacles in their everyday lives.

“SAY helped me improve my confidence and showed me that I am not the only one who stutters. Supportive and wonderful staff members helped me with my stuttering.”

— Dorjee, age 14

CAMP SAY: Celebrates Each Unique Child

Camp SAY provides an important balance between structured activities and choice, so that campers can discover their unique talents and tap into their personal interests and goals. Campers engage in a broad range of confidence-building activities, including:

Arts & Crafts – Painting, drawing, pottery, weaving, mixed media & more.

CAMP SAY: Where Everything Seems Possible

Camp SAY provides truly unique experiences that safely challenge young people who stutter to create a strong sense of achievement. Campers join a special team (or two) and, led by talented staff, collaborate in a confidence-building journey toward a group goal such as a championship game, an exciting performance, or another empowering project. Campers build communication skills via debate, improv, drama, and more. If desired, speech therapy is available with a licensed Speech-Language Pathologist who specializes in stuttering. Individual and group sessions are offered, personalized to fit each child's unique communication goals.
